WHAT IS CAFÉ ANALOG?

Analog is ITU's student-run,
non-profit café, serving coffee and tea
to more than 100 students a day. We're comprised
of about 60 students of all majors, nationalities
and ages, working together to make Analog
the best, most "hygge", place on ITU.

Analog is an organization
with a flat structure.
We elect a new board, called Analogen, every semester,
but we are at no different level than any
other volunteer --
we all started as baristas just like you.

WHAT WE EXPECT FROM YOU AS A VOLUNTEER

Keeping a café open from 8-16 every week day is hard work,
and so, volunteering in Analog requires trust.
